

## Churt Parish Council Newsletter March 2018

We are delighted to welcome Adrian Waller as a newly elected co-opted Councillor. Adrian recently moved to Churt, but knows the area well having had previous connections with both Beacon Hill and Frensham. He does voluntary work for Waverley Borough Council and is currently chairman of the Waverley Tenant Panel. I am sure he will be a valued addition to the Parish Council.

It is our intention to have some grass protection installed on areas of Redhearn Green to assist with parking on the grass. We have found what we believe to be an excellent solution which is a green mesh through which the grass will grow. We have seen the system installed in the National Trust car park at Polesden Lacey and we were very impressed. It may be difficult to believe, but there is a hint of spring in the air at times, so we are hopeful that the installation will take place soon, as it is imperative that it is installed during the grass growing season.

The new bench purchased with monies from the Planning Infrastructure Contribution from Waverley Borough Council has now been installed on the recreation ground and is a welcome addition.

The Churt Annual Assembly will take place in the village hall on Wednesday 18<sup>th</sup> April 2018 at 7.30pm. This is the occasion when we invite all village organisations to update us on their activities during the preceding 12 months. Our Surrey County Councillor and Waverley Borough Councillors will be invited to attend and report accordingly. I will also give an annual report detailing the main activities of the Parish Council during the year. All are very welcome to attend and there will be a finger buffet and a glass of wine after the event.

Please note that due to the Annual Assembly the next meeting of the Churt Parish Council and Recreation Ground Trust will be one week earlier on Wednesday 11<sup>th</sup> April 2018 at 7.30pm. Hopefully by then spring will have arrived.

During recent weeks there have been a few reports of people acting suspiciously in the grounds of properties. Please may I urge you all to be extra vigilant. Please make sure that garden sheds and garages are secure at all times and that houses are kept locked even if you are working in the garden. Please report any suspicious activity to the police via 999 if you consider it to be an emergency or via 101 in all other cases.

David Crossley. Chairman

**The next meetings of the Churt Parish Council and Recreation Ground Trust will take place on Weds 11<sup>th</sup> April 2018 in the pavilion at 7.30pm**
